Game 4 @ 1:00pm (may be change)

1. Rosters and Personnel

- a) Rosters: (16) Sixteen player maximum to a team, which must include NO LESS than 3 female. If you would like to hold additional player to the team then you must pay additional fee of \$50 per player.
- b) Roster additions and deletions can be made until July 6, 2013. After July 7, all rosters are final.
- c) To be eligible for playoff games, players must be on the roster and participate in a minimum of two regular season games Mitigating Circumstances: Any mid-season or playoff roster moves must be approved by the league commissioner.
- d) No player can participate on two (2) teams in the same league. **CASE EXCEPTION** if a team needs player to make a game then it will be up to the opponent team to allow you to choose another player from another team.
- e) The league will be defined as 3 females and a maximum of seven males must be in the field at all times.
- f) The first batter in the lineup **MUST BE A FEMALE**.
- g) The batter order must alternate male and female after the first batter.

2 . On field Rules and Regulations

- a) Line-Requirements: All teams must field at least three women and no more than seven men. However, if a team is lacking women they may play with two or one on the field and in the line-up. For each woman not present the team will receive 1 strike for the entire team. EX: Team is missing 2 girls the batter count will be 0-2. Each woman not present will result in one strike for the entire team. If you are missing 3 girls the opponent team has two options. 1. Take the forfeit win or 2. Allow the game to continue and have the team play the game under these circumstances 2 strikes and 1 out.
As stated the maximum number of men allowed on the field is seven. Therefore, if you are missing a woman, that player cannot be replaced by a man in the field or in the line-up. If you begin a game with less than three women, and one subsequently arrives, that player must be inserted into the girl, boy, girl boy format. Ex. You have 1 girl who starts up batting first. By the 4 inning your second girl comes she automatically be inserted to the 3rd batter in the lineup. Teams can still use a extra hitter/DH into the lineup when a girl is not present. You are allowed to have 11 batters in the lineup; however, at no point can that team play with more than seven males on the field defensively.
- b) Pinch Hitting: A team may pinch hit a woman for a woman, a woman for a man or a man for a man at any time. Teams will also be permitted to pinch hit for a woman with a man during the contest provided another roster eligible woman (who has not previously participated in the game) replaces the pinch hitting male in the next defensive inning. In the event teams start a game with one or two women and the second or third arrive at any point, those arriving may not be used as a defensive replacement for a pinch hitter. Instead they must be placed in the line-up immediately.

- c) Late Arrivals: A team may start a game with seven players and add the eighth up until the conclusion of the third inning. If the eighth player does not arrive by that time the game will be forfeited. (Case Exception from the opponent team)

3. **Defensive Alignment:** Teams can play an official game with a minimum of 8 players. You can add a ninth at any point in the game, but cannot add a tenth player after the completion of the third inning (Case Exception from the opponent team). Teams are required to have a minimum of three women in the field and in the line-up at all times.

- a) Outfield Positioning: Outfielders must play at least 45ft. from the edge of the infield and cannot move closer until the ball has been hit by the batter. This rule applies to all outfielder including players designated as the short fielder. The 45ft distance should be marked by colored discs set up by the umpire prior to the game.
- b) **Bunting: Bunting is not permitted at any time.**
- c) Thrown Equipment: Any player throwing equipment may be thrown out of the game at the umpire's discretion.
- d) Leading Off Bases: **Upon the release of a pitch**, players may lead off any base at their own discretion with the exception of third. Runners may only break contact with third after the batter has made contact with the pitched ball or the pitched ball has made contact with the catcher's glove. Runners that leave bases too early or have been found leading off of third will be called out.
- e) **Sliding: No sliding is permitted into any base at any time (including diving back)** In the event of a close play, **players must find an alternate route or give themselves up.** Runners may not barrel into fielders and must avoid contact when possible however, base runners must be given the baseline right of way and have an opportunity to reach bases unimpeded.
- f) **(New)Pitching:** This is a moderate pitch. The arc of the pitch Must be a minimum of 6 feet from the ground to maximum height 10 feet from ground. League Pitches that are thrown too fast or too high will be called a ball at the umpire's discretion. Females may have the option to choose slow pitch but must do so prior to the game.
- g) Safety Equipment: Catchers must wear masks. Each team must provide its own mask or borrow one from the other team. Fielders must wear appropriate fielding gloves players must wear cleats or athletic shoes with rubber soles. Metal cleats and baseball bats are prohibited (Softball Bats). Bases are provided by the league.
- h) Field Conditions: In the event of rainy or violent weather the league commissioner will decide that day's games will be played. Games will not begin unless the umpire deems the field to be playable. After play begins, decisions on field conditions, lighting conditions and inclement weather are at the umpire's complete discretion. Not teams are to play if there is lightning in the immediate area.
- i) Official Games: Games are seven innings long. A game is considered official when the team trailing has completed it's at – bat in the fifth inning. In the event a game is suspended, postponed or cancelled, it will be completed or made up at the commissioner's discretion. In the event of low light or darkness, no half innings will be played. That is to say if the visiting team bats in the top of an inning the home team must be allowed to bat in the same lighting conditions, If the visiting team bats in the top of an inning and the lighting becomes such that it is unsafe for the home team to bat in the bottom of inning, any runs scored by the visitors in the top will not count.
- j) Mercy Rule/ Extra innings: The ten run rule will be in effect after the losing teams has batted five times or whenever a ten run difference is reached after five innings. Extra innings will start with the last out from the previous innings being put at second base (depending the time Referee might have to call the game due to time) Draw will be issue in regular season. There is mercy rule in the playoff 5th inning 17runs.
- k) Strikes: If a pitched ball hits the plates or mat, it is a strike. A batter with two strikes who then fouls off a pitch will be called out.
- l) Optional Walk Rule: If at any point in the contest a team walks a male player (Intentionally or not) that is batting before a female player in the line-up, the female player will be given the opportunity to take an automatic walk. The female player must be in the on deck area and visible for the opposing team and umpire to see.
